HELP US RAISE \$40,000

CRITICAL TRAILER REPAIRS ARE NEEDED!

The double-wide trailer that houses our education program is aging and in urgent need of repairs. **Won't you please make a donation today** to help maintain a safe and secure learning environment for the children of Ethel R. Lawrence Homes?

- Our roof is leaking and needs to be replaced
- New siding and gutters are needed
- Several inside walls and some flooring has decayed due to water damage, so new drywall, floors and carpeting are required as well as miscellaneous painting and tilework
- Our front steps and disabled access ramps must be repaired for safety reasons
- Heating and insulation upgrades along with some new windows will help lower costly energy bills and make sure our students stay warm in winter
- Wiring upgrades will allow us to maintain viable Internet connections which are essential to our program

The Margaret Donnelly O'Connor Education Center is an after-school Homework Club and Summer Enrichment Program operated by **Fair Share Housing Development (FSHD)**, a non-profit housing and social services provider that seeks to reduce racial and economic segregation in South Jersey by developing affordable homes in high-opportunity communities. The Margaret Donnelly O'Connor Education Center is located on the grounds of **Ethel R. Lawrence Homes**, FSHD's award-winning flagship development in Mount Laurel Township which offers 140 townhome-style apartments in a safe environment with access to one of New Jersey's top school districts.
